Aloha Racing
Exceptional Events from Start to Finish Line

Event Coordinator

Company Overview

Aloha Racing is an endurance event production company headquartered in Ewa Beach, HI. Along with our commitment to excellence, integrity, and respect for the passion of each and every athlete, we choose to support charities near and dear to our hearts by encouraging and facilitating donations, then by matching those donations dollar for dollar.

Opportunity Overview

As an ideal way to earn supplemental income, our staff members coordinate volunteers, packet pick-up, registration, gear check, course operations, finish aid and our post-race meal, usually involving just a couple hours of time in advance to study up on the specifics for each event, then a bright & early start on race day. Although no experience is necessary, the individuals we welcome to the team should have a crazy positive attitude, and an undeniable desire to see a job well done.

Attributes of the Successful Candidate

- Energetic, 'failure is not an option' approach to life
- Exceptional attention to detail and organization skills
- Superior problem-solving and time management skills
- Ability to multi-task without losing focus in what can sometimes be a chaotic atmosphere
- Comfortable working with PDF documents, GPS maps / devices and Dropbox
- Reliable personal transportation
- Capable of lifting / moving equipment weighing 30 - 50 lbs
- A history of participation in endurance events will be considered a major plus.
